Donors and Granters- The Camp and Ruth Camp Campbell Foundations

FACT is a non-profit dedicated to improving the lives of children with autism. Our mission gives our donors the "warm and fuzzies". Truth be told, we can't help but get a little misty ourselves. Passion will do that to you. We have a million touching stories of how our programs impact families, but at the end of the day, FACT is a business. We must invest in our infrastructure to continue growing and meeting the needs of families.

Does investing in capacity building or development planning give anyone the "warm and fuzzies"? Probably not, but the Camp Foundation and the Ruth Camp Campbell Foundation recognize that strong administrators and thoughtful strategic planning yield sustainable programs that will serve the community for years to come. The Camp foundations, under the umbrella of the Elms Foundations and the leadership of the Honorable Westbrook Parker have granted FACT \$12,000 for the tools we need to facilitate growth. We are truly grateful for their foresight, generosity, and confidence.

The Lawn Party is Coming

If we've said it once, we've said it a thousand times... This is NOT your Daddy's rubber-chicken gala. This is a party! One that you don't want to miss. Tickets will be on sale soon, but first we need to start collecting silent auction items and identifying sponsors. If your family has benefited from FACT programs, please help by soliciting or donating an item for our auctions. Almost any new merchandise will do. Lawn and household services (think window cleaning, pool opening, gutter cleaning, etc.) are super popular too.

If your employer, or someone you know owns a community minded business that would be interested in sponsoring the event, contact us for more information. Thanks in advance for your support.

Gotta Love These Kids- Taylor W. and Daniel F.

Taylor and Daniel received the Cindy Wheeler Merit Award for our Fall GonnawannaBOWLagin' league. The award is given in memory of our beloved bowling coach to exemplary bowlers who demonstrate good sportsmanship, team spirit, and growth over the course of the season. Daniel says "I like getting strikes and seeing my friends".
